General English

The General English programme will help you to improve your grammar, vocabulary, reading, writing, speaking and listening. Your teachers will be professionally qualified and highly motivated. They will help you learn English in a positive and enjoyable way. The focus of your lessons will be to develop your communication skills.

Course information:

- 15 hours per week*
- 9.00–10.30am and 11.00am–12.30pm
- Monday – Friday
- course book and workbook included
- maximum 16 students per class
- students from many different countries
- minimum age 16 years

When you arrive at New College Nottingham you will receive a warm welcome, a language assessment and a full induction to the College and its facilities. We will use the language assessment to place you in the best class for you to improve your English.

* courses can be tailored for groups

English Plus

In addition to your General English programme, there are more ways to use and practise your English language skills. You can choose from:

- IELTS exam preparation
- Fashion workshops
- Cookery
- Introduction to British culture
- Academic English
- Broadcasting/radio
- Enrichment activities*
- Students' Union*
- Volunteering*
- Badminton*
- Rock climbing*

A member of staff will help you choose and plan your programme of activities.

* There is no charge for these activities

All classes are subject to a minimum class size and may change at any time.
