## About us

Once Upon a Time Day Nurseries are open all year to private, staff and student users. Children in our nurseries receive loving, individual care with a variety of experiences and opportunities for overall development. Fun activities are thoughtfully and carefully planned by our experienced staff to ensure children enjoy learning.

## How we can help you

Once Upon a Time Day Nurseries can offer you peace of mind while you are working, studying or taking quality time for yourself.

We are passionate about childcare which reflects in the day-to-day care and education of the children entrusted to us.

“The nursery has a dynamic, caring, friendly and supportive team of staff that have looked after my child from six months to four years. Every time I pick up my child he talks enthusiastically about his day spent at nursery.”

## We offer parents:

- the reassurance that your child is cared for in a fully inclusive environment that recognises that each child is unique and aims to ensure that they reach their individual potential
- the knowledge that your child is being cared for by experienced and qualified staff that have all been through a Criminal Records Bureau (CRB) enhanced disclosure check.
- staff who have a commitment to training to ensure good quality practice in line with current frameworks
- a setting with robust policies and procedures in place (available on request) to support our best practice in caring for your child
- a setting that offers a child-centred approach to help your child learn and develop at their own pace
- the opportunity to work in partnership with us as we value your comments and support

“I’m very happy that my daughter is receiving the very best quality care available. I never worry about her in the day and am delighted with the excellent relationships between the staff, my child and myself.”
